## **News Announcement**

### **For Immediate Release**

### **CIMC Intermodal Equipment Reveals New 2019 Premium Specification Chassis with 10-Year Warranty at IANA 2018**

Long Beach, CA (September 17, 2018) Today, CIMC Intermodal Equipment, unveiled their new REVERE chassis, to media and attendees at IANA 2018.

The REVERE 20'/40' City Combo Tandem WS chassis design is based on CIMC's 2019 Premium Specification which includes superior component specifications from industry leading manufacturers:

- Electric harness and lights from Phillips Industries
- KIC/Accuride 10-year wheel ends
- TSE brake chambers and slack adjusters
- Holland Saturn 62 IM landing gear
- Hutchens spread axle mechanical suspension
- Bendix ECU and air valves

The REVERE is a premium chassis with all post-frame assembly done in the U.S. with U.S.A. made products and components. It includes CIMC standard KTL powder

coating and is assembled using robotic precision welds and laser metal cutting processes. CIMC processes and standards along with superior component specifications support a 10-Year warranty on all non-wear items.

“We’re bringing a special chassis to the North American market,” commented Frank Sonzala, CIMC president and CEO. “With the highest quality components supplied by our partners and spec’d as standard equipment on the REVERE, this chassis undoubtedly commands a 10-Year warranty. CIMC continues to benchmark our industry with standards that meet or exceed customer demands. The REVERE is the just the latest in our efforts to transform the intermodal segment.”

The REVERE will carry one 20’ or one 40’ ISO container. It meets all TOFC, AAR, DOT, FMVSS, ISO, ANSI, SAE and TTMA specifications

#### About CIMC

As the world’s largest manufacturer of intermodal chassis trailers, CIMC Intermodal Equipment has revolutionized the chassis industry through laser metal cutting, robotic precision welds and a KTL powder-coat paint system to prevent rust and corrosion. CIMC-IE meets the needs of those customers who demand innovative designs with tough, long-lasting durability. Whether at our headquarters on the West Coast in South Gate, CA, in our newly renovated facility on the East Coast in Emporia, VA or through our vast nationwide dealer network, we welcome an opportunity to provide information regarding our products, large in-stock inventory, and discuss the needs of your company. Visit [www.cimc-ie.com](http://www.cimc-ie.com) for more information.
