FOR IMMEDIATE RELEASE

**Phillips Industries Wraps Up 90th Year Celebration through Video Interviews with Founder and CEO, Bob Phillips**

Santa Fe Springs, CA (December 4, 2018) As Phillips Industries completes their 90th anniversary year, the last of a series of five video interviews with founder and CEO, Bob Phillips, have been completed.

Throughout the interviews, Phillips reminisces about the people, the company, their customers and product developments that have contributed to reaching the 90th year milestone as a successful and growing commercial vehicle industry supplier.

In the final two videos posted recently, Phillips remembers key people who have played important roles in the Phillips Industries' legacy. He also looks back on particular product developments and why the company's tagline is "We make products that make a difference." "Phillips Industries never wants to copy another product; instead, we find a new and better way to give our customers solutions to their problems. That idea seems to have worked with Phillips products, in many cases, dominating the product category."

#### About Phillips Industries

Based in Santa Fe Springs, CA, USA, Phillips Industries is a leading innovator and manufacturer of advanced electrical and air brake system components, as well as electronic solutions for communicating vehicle data to fleets and their drivers for the commercial truck and trailer industry. Phillips' products are standard on nearly 100% of Class 8 trucks, more than 50% of all trailers manufactured in North America, and can be purchased at virtually all premium distributors. Phillips has manufacturing and distribution facilities throughout the US and Canada, as well as Mexico, China, and Europe. Phillips maintains active membership in key industry associations including TMC, SAE, Heavy Duty Manufacturing Association and various state trucking associations. Their manufacturing facilities have earned the top-quality accreditations including ISO/TS 16949 and ISO 14001 as well as multiple prestigious customer awards from Daimler, NAPA, and many others.
